Re: Energy Transp. Grp., Inc. v. Borealis SO ORDERED.

Dear Judge Willis:

Pursuant to the Court's August 11, 2025 order in Maritime Limited ("Borealis") and Plaintiff Energy Transportation Group, Inc., I submit this letter to advise the Court that, with effect from August 21, 2025

- (1) Borealis' motions to seal at ECF Nos. 164 and 171, which sought narrowly-tailored redactions that would have allowed the parties to submit information that was redacted and then sealed by Judge Torres' August 7, 2025 order, granting Borealis' renewed motion to seal (ECF No. 268, "Sealing Order"). These redactions are reflected in Exhibits A through C to this joint letter. The parties agree that the Court should seal the redacted information in accordance with Judge Torres' Sealing Order.
- (2) ETG's provisional motion to seal at ECF No. 188, the motion is moot since no redactions were requested by any interested party.
- (3) The damages interrogatories issue highlighted in the parties' June 28, 2024 joint letter to the Court, the parties agree that there is no dispute for the Court to resolve at this time.

Respectfully submitted,

LLOYD S. CLAREMAN
